Specifications

The Derby CLR Clear Vinyl Fiber Mattress is produced by special manufacturing techniques. The 100% sealed seam process provides maximum fluid resistance as well as minimum risk exposure. It is made with a fluid-resistant breathable vent.

Cover

- 11oz. glass clear correctional fabric
- Transparency makes it difficult to conceal contraband.
- Increases safety/security of staff and inmate population.
- Highly durable polyester reinforced base fabric.
- Strong and tear resistant.
- Bacterial/fungal resistant.
- Fluid and stain resistant.
- Non-allergenic.
- Easily cleaned with soap and water.
- Malodor protection.
- Anti-static.
- 100% Sealed Seams lock out blood, water, urine, bed bugs, & head lice.

Core

- Core must be full overall length of the mattress, including head rest area, 100% polyester fiber, minimum of 11 oz.
- Available with or without integrated pillow(s).
- Optional integrated pillows constructed of solid fiber- Zero loose fill pillow batting.
- Pillows are laminated to a full length mattress core to ensure they remain in place.
- Core contains no hazardous chemical byproducts- 100% recyclable "green".
- Core is hypoallergenic- latex free.
- Thickness to be 6 inches.
- Completed mattress to contain no manufacturing byproduct such as polypropylene film, silk film, or other foreign material detrimental to a secure area.
- Meets Cal 117, Cal 121, Cal 129, 16 CFR parts 1632.4 & 1633 flammability requirements.
