

Overview

Ideal for high-risk inmates who require writing instruments these are safe and easy to use. These pencils are extremely flexible yet rigid enough to write with making them practically impossible to use as a weapon and extremely safe. The writing center is a marking polymer, writing like a #2 lead. Sharpens like conventional pencils. Preferable to use a manual sharpener rather than an electric sharpener.

- Ships pre-sharpened.
- Size 6"

Attributes

Option 144/Cs, 1440/Cs
